Our commitment to quality and service is defined in our company values.

To implement this policy and to achieve our quality objectives we have developed processes and procedures which comply with the requirements of ISO 9001:2015, Quality Management Systems, ISO 45001:2018 Occupational Health & Safety, ISO 14001:2015 Environmental Management and relevant legislation. We refer to this as our Integrated Management System (IMS).

Compliance with our IMS and company procedures is a requirement for all staff. We regularly review this policy to ensure that it is appropriate to the purpose of the organisation.

- We commit to comply with all applicable requirements including Customer, Statutory and Legal requirements
- Continually improve our IMS.
- To enhance the effectiveness of our processes and procedures.
- We will endeavour to follow and lead industry best practices and to comply with, or exceed our clients' requirements and expectations.
- We will establish objectives in our annual review of the IMS and at executive meetings, which will be regularly monitored and reviewed to determine effectiveness.
- Our policy and procedures are communicated and understood within the organisation.
- We determine and manage our risks and opportunities.
- Our policy and procedures are regularly reviewed to ensure continuing suitability and effectiveness.
